

5TS Bingo Challenge

<p>English – Imagine you are lost on a desert island for a week, write a diary of what you did, what you saw and how you survived there. Include how you managed to get home or rescued.</p>	<p>Science – Describe properties of different materials. Find a range of materials around your home, make a list of them and then describe their properties. For example, is it transparent, translucent or opaque? Could this material be a thermal insulator or a conductor of electricity?</p>	<p>Music – Find a famous musician or band from history, this can be classical or modern history. Research their life and what inspired them into a career in music. What is your favourite song from them?</p>	<p>Design and technology – Have a go at designing and making your own bridge for the third crossing in Lowestoft. Make sure you describe the materials used and how your bridge will lift up and down.</p>
<p>Science – Describe the work of Carl Linnaeus, who was he? What did he do for science? Research his scientific theories and his classification of animals.</p>	<p>Maths- Imagine you have been to a shop, you have a budget of £20 and need to buy a selection of food and drink for a school disco. Write out what you have brought and how much each item cost you. You can add in special offers and deals and then show how much change you will get from £20.</p>	<p>Art – Make a folded paper wallet covered with boldly coloured designs in the style of Mondrian. https://www.bbc.co.uk/bitesize/clips/z3xjbk7</p>	<p>Geography – What are Biomes? Find out what different types of Biomes there are and any similarities and differences they have. What makes each Biome different?</p>
<p>History – Research some traditional Viking stories and then create one of your own including as many of the characters as you would like. https://www.bbc.co.uk/teach/class-clips-video/english-ks2-viking-sagas/zvrmy9q</p>	<p>English – Write a set of instructions for something that you have done or learnt to do during lockdown. Make sure you include: top tips, headings and subheadings, fronted adverbials and imperative verbs. Punctuation including: brackets, colons, semi colons and exclamation marks.</p>	<p>Computing – Have a go at ‘hour of code’. A free coding resource to test your computing skills https://code.org/learn</p>	<p>Health and wellbeing – Remember what we have been doing when we were in school, make a list of your favourite lessons or days that we had together and explain why you enjoyed them.</p>
<p>P.E. – Keep up to date with Mr Forwood’s P.E. challenges each week. Our school is doing really well with these and we have won a few of the weeks! Keep it up!</p>	<p>Pick your own – This is a freedom activity, produce something to share with me about anything you like. Make sure you give plenty of details as to why you have picked it too. Have fun!</p>	<p>Reading – Make a list of books that you have read, give them a 5 star rating and describe what you liked and disliked about it.</p>	<p>Language – Pick a language from around the world and then research to see what festivals that country celebrates and why, include translations of key words from the chosen language.</p>
